

LAGODA DISC GOLF

2016 PDGA events schedule

March 12

Mars Springs

For the 2nd time we will organize a one day spring tournament at a permanent course in Varaždinske Toplice. This course is in the hilly forest and asks for more skills than power.

April 2-3

Bundek Open

For the 1st time we hope to organize a tournament in a public park in Zagreb. This would be played on a temporary course set up at the area where few local disc golfers have been practicing for a while.

After initial contact, a request to the city to grant permission was sent by Croatian Flying Disc Federation and we expect to get it soon, so then we will be able to confirm this event and the date. At the moment it is 75% sure to happen.

Registrations will start for players who will be joining all three events, but afterwards, if there will be free spots, we will allow individual tournament registrations.

Official accommodation will be Spa resort Terme Sveti Martin (4* hotel and 3* apartments) where after the rounds you can relax at the open and closed swimming pools, water slides, spa area etc.
